

Yaoundé-Cameroon
August 26-28th 2026

13th Edition Journées de Chimie Analytique

Tribute to Prof. Ngameni Emmanuel

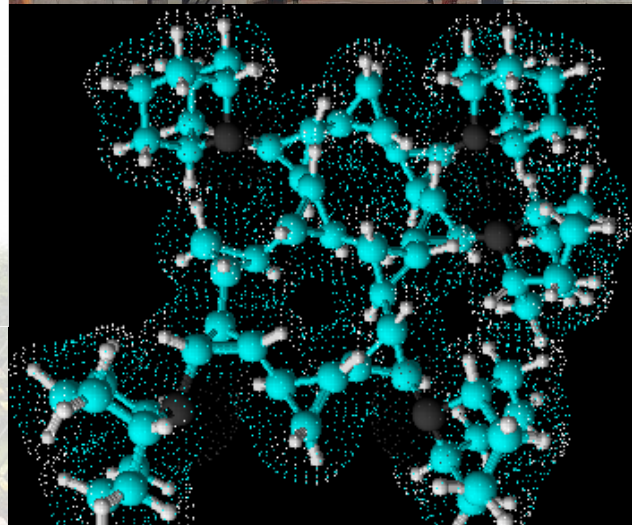

- ▶ Sensors and Electrochemical Engineering (SEE)
- ▶ Water Analysis and Treatment Processes (WAT)
- ▶ Valorization of Local Flora (VLF)
Isolation and characterization of new active compounds
- ▶ Innovative Materials and Applications (IMA)

Round Table

Theme: "Artificial Intelligence and scientific research: opportunities and promise of a nascent collaboration?"

Presented by renowned researchers

Informations

Deadline for abstracts submission : April 1st 2026

Acceptance notification : May 1st 2026

Deadline for registration fees : May 31st 2026
